مقدمة الكتاب الأول

من سلسلة: "المصادر والمراجع"

منذ نحو عامين*، باشرت "لجنة تاريخ الأردن" نشاطها في مجال النشر في ثلاث سلاسل اعتمدتها، وقدمت للقراء– حتى كتابة هذه المقدمة – ستة عشر كتاباً، هي: ثلاثة كتب من: "سلسلة كتب المطالعة في تاريخ الأردن"، وثمانية كتب من : "سلسلة الكتاب الأم في تاريخ الأردن"، وخمسة كتب من "سلسلة البحوث والدراسات المتخصصة".

وكانت اللجنة قد خططت، منذ البداية، لاصدار سلسلة رابعة لمصادر تاريخ الأردن ومراجعه، عوناً للباحثين ودارسي تاريخ الأردن في الاهتداء إلى هذه المصادر والمراجع المتناثرة في مختلف المكتبات داخل الأردن وخارجه.

ويسر "لجنة تاريخ الأردن" أن تقدم هذا الكتاب الأول في "سلسلة المصادر والمراجع في تاريخ الأردن" مشتملا على فهرس للرسائل الجامعية التي كتبت في تاريخ الأردن – بلغات مختلفة – بالمفهوم الشامل للتاريخ، وقدمت الى الجامعات في أقطار مختلفة، منها الأردن، ومصر ولبنان، والولايات المتحدة الأمريكية، وبريطانيا، وفرنسا، وألمانيا.

و "لجنة تاريخ الأردن" لجنة مستقلة، تتخذ مقرها في المجمع الملكي لبحوث الحضارة الإسلامية (مؤسسة آل البيت) بعمّان، وهي مؤلفة من رؤساء: المجمع الملكي لبحوث الحضارة الإسلامية، والجامعة الأردنية، وجامعة اليرموك، وجامعة مؤتة، وجامعة العلوم والتكنولوجيا الأردنية، والجمعية العلمية الملكية، بعد أن وجه صاحب الجلالة الملك الحسين رسالة الى صاحب السمو الملكي الأمير الحسن ولي العهد – في العشرين من شوال ١٤٠٧هـ الموافق ١٦ حزيران ١٩٨٧م– طلب جلالته فيها أن يتولى سموه تأليف لجنة مستقلة "من المفكرين والمؤرخين المرموقين من الجامعات ومراكز

* كتبت هذه المقدمة في كانون الأول (ديسمبر) عام ١٩٩٢م.

البحث العلمي من الذين يواكبون تطور بلدنا، ويشاركون في مسيرته المباركة، ليقوموا بوضع خطة متكاملة المراحل لكتابة تاريخ الأردن المعاصر، في اطار تاريخ أمته العربية، ونشر بحوث ودراسات ذات مستوى علمي رفيع، ومنهج موضوعي يتوخى الحقيقة وحدها، ولا يقصد الا وجه الحق، وتستخلص من هذه البحوث والدراسات سلسلة من الكتب لمختلف الفئات من الناشئة الى جمهرة المثقفين الى كبار المتخصصين: للتعليم والمطالعة والمراجعة".

واللجنة تأمل أن يكون هذا الفهرس حلقة نافعة في سلسلة طالما تطلع الباحثون الى صدورها، وتقدم شكرها لأعضاء الفريق الذي أسهم في إعداده .

وستتابع "لجنة تاريخ الأردن" – بمشيئة الله – استكمال حلقات سلسلة "المصادر والمراجع في تاريخ الأردن".

والله نسأل أن يحقق هذا العمل الفائدة المرجوة، وهو ولي التوفيق.

تمهيـــــد

من المعروف أن حصر المراجع العلمية، في المجالات المختلفة، يعد خطوة أساسية لتسهيل مهمة الباحث بإرشاده إلى المراجع التي تتناول موضوعات تخصصه، ليطلع عليها، ويختار المناسب منها لمتطلبات البحث العلمي.

وتحقيقاً لهذا الهدف، ورغبة منا في مساعدة دارسي "فترة ما قبل التاريخ في الأردن" في الاهتداء إلى هذه المصادر والمراجع المتناثرة في مختلف المكتبات داخل الأردن وخارجه، قمنا بإصدار هذا العمل الذي يجمع ما أمكن توافره لدينا من كتب، وأبحاث، ودراسات نشرت حتى بداية عام ١٩٩٦م.

يشتمل الدليل على ٩١ مرجعاً باللغة العربية و١٠٠١ مرجع باللغات الأجنبية من الكتب، والأبحاث، والرسائل الجامعية، والمقالات المتعلقة بآثار ما قبل التاريخ، أو ما يتعلق بالعلوم الأخرى المتصلة بتلك الفترة، كالجيولوجيا، والأنثروبولوجيا الطبيعية، ودراسة النباتات القديمة، والحيوانات القديمة الخ....

وقسم هذا العمل إلى قسمين: أحدهما للمراجع المكتوبة باللغة العربية والآخر للمراجع المكتوبة باللغات الأخرى.

هذا، وقد تم اتباع قواعد التقنين الدولي للوصف الببليوجرافي في إعداد البيانات الببليوجرافية عن كل مادة بحيث تشتمل على البيانات التالية:

١- رتبت مادة هذا الفهرس هجائياً حسب المؤلفين، وفق اسم العائلة للمؤلف، ثم الحرف الأول من اسم المؤلف في القسم الأجنبي، بينما وضع الاسم الأول كاملا في القسم العربي.

٢- تلا ذلك سنة النشر.

٣- عنوان البحث، أو الكتاب، أو المقال الذي وضع ضمن قوسين صغيرين (انظر المثال).

٤- اسم المجلة، والمجلد، والعدد، والصفحات، وأخيراً مكان النشر.

مثال:

Kirkbride D., 1966 " Five Seasons at the Pre-pottery Neolithic Village of Beidha in Jordan". PEQ 98: 8-72.

إبراهيم، معاوية، ١٩٩٠م "فلسطين منذ أقدم العصور إلى القرن الرابع قبل الميلاد". الموسوعة الفلسطينية. المجلد الثاني الدراسات التاريخية : ١-١٣٨. بيروت.

وقد رتبت أعمال المؤلف الواحد وفق تاريخ النشر من الأقدم إلى الأحداث، وفي حالة وجود أكثر من بحث للمؤلف في السنة نفسها فقد وضعت حروف أبجدية بالحرف الصغير بعد عام النشر. بينما رتبت أعمال المؤلف المشتركة مع أخرين هجائياً حسب اسم العائلة للأفراد وفق ترتيبها أبجدياً.

وقد تم ترقيم كل قطعة برقم مسلسل طبقاً لورودها في الببليوجرافيا، حتى يمكن الوصول إليها في سهولة ويسر عن طريق أحد الفهارس الهجائية التالية:

١- قائمة فهرس المؤلفين، واحد باللغة العربية والآخر باللغة الإنجليزية، ويشتمل على أسماء المؤلفين، والمؤلفين المشاركين. وفي حالة تكرار الاسم كمؤلف ومؤلف مشارك فقد وضع رقم قبل اسم المؤلف بينما وضع خط قبل اسم المؤلف المشارك.

٢- فهرس الفترات الزمنية.

٣- فهرس الموضوعات .

وأخيراً، لا يسعني إلا أن أتقدم بالشكر إلى جميع من قدم يد المساعدة في تحقيق هذا العمل، وأخص بالذكر الزميل الأستاذ الدكتور زيدان كفافي، مدير معهد الآثار والأنثروبولوجيا في جامعة اليرموك الذي زودني بمجموعة من المقالات والكتب المتوافرة في مكتبته الخاصة، كما أشكر الزميل الصديق الدكتور زيدون المحيسن على دعمه وتشجيعه لي في الأوقات الصعبة، ولتقديمه بعض المراجع الفرنسية. والشكر الجزيل

للزميلين الدكتور محمود النجار والدكتور عمر الغول لما أبدياه من ملاحظات، وأقدم شكري لأخي وصديقي الدكتور وائل الرشدان على وقوفه إلى جانبي وتشجيعه لي خلال الأوقات الصعبة.

ولا بد من تقديم الشكر الجزيل للزملاء في مكتبة معهد الآثار والأنثروبولوجيا السادة: جمال فودة وزهران كامل والسيدة سمر فاخوري، على تقديمهم التسهيلات والمساعدة لي واستعراض المجلات والكتب المتوافرة في المكتبة أولا بأول. كما لا انسى زملائي في دائرة الآثار العامة، وخاصة زميلاتي في مكتبة الدائرة السيدات والأوانس: راوية نبيل، أمينة المكتبة، وسلمى مهيار، وفاطمة التل على ما قدمنه من تعاون ومساعدة، سواء بتصوير المقالات أو بإعارتي بعض المراجع الضرورية.

واخيراً لا أنسى ميادة "زوجتي" التي وفرت لي المناخ الضروري وصبرت وتحملت غيابي المتكرر ومسؤولية الاعتناء بمهنا وعمر دون تذمر أو ضجر ، وكان لها الفضل الأول في إنجاز هذا العمل.

PREFACE

This bibliography is divided into two sections : one for Arabic references
and the other for references in other languages. It includes 91 references in Arabic and 1001 references in foreign languages, which were collected from books, articles and dissertations related to prehistoric archaeology or other fields such as geology, physical anthropology, paleobotany and paleozoology.

International technical classification for preparing bibliographical information was used to include the relevant informations, as follows :

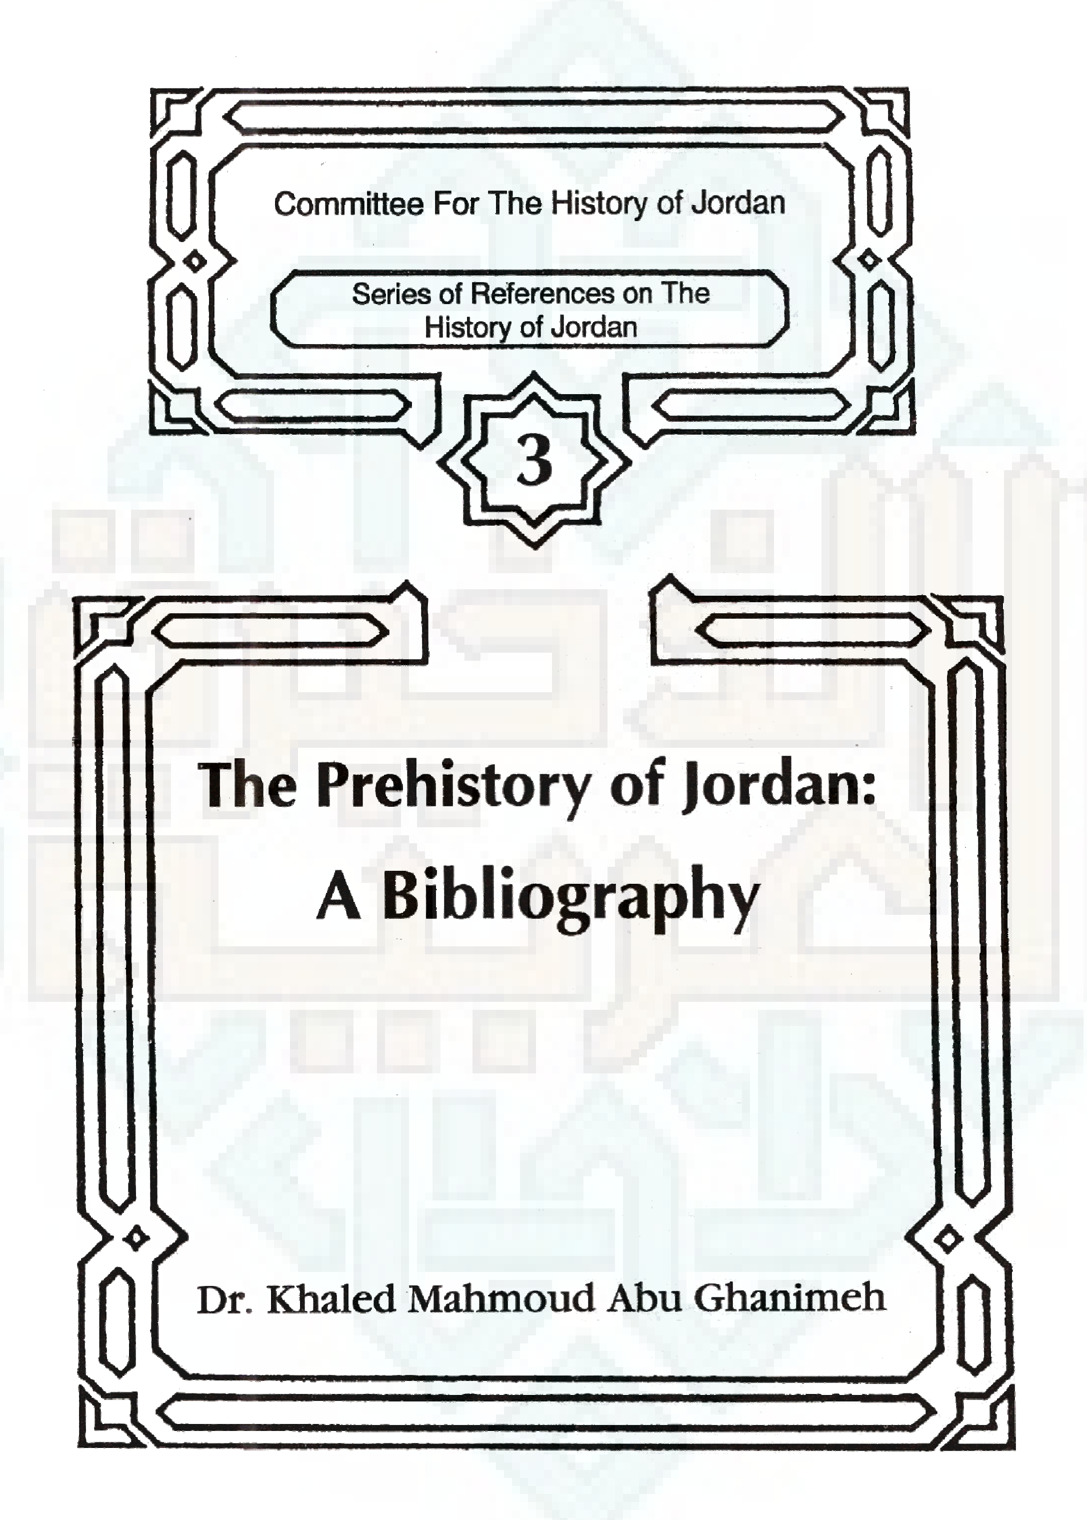

1- This index was organized alphabetically according to the author' s family name, the first letter of the author' s first name if in English and full first name if the reference is in Arabic.
2- Year of publication.
3- Title of the research article or book in brackets.
4- Journal's title, volume, number, number of pages and place of publication.

Every author's work was listed according to the date of publication from the earliest to the latest publications. In cases where the author had more than one publication of the same year, a letter, alphabetized, was placed next to the year of publication. Every reference was then given a number according to its location in the bibliography to make it easier to the researcher to find. This was done in the following order:

1- Authors' index.
2- Subject index.
3- Chronological index.
